## **COMMENTS INVITED ON EDGE CONNECTIONS, INC. APPLICATION TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES**

**Comp. Pol. File No. 601**

**Comments Due: September 10, 2002**

### **Section 214 Application** **Applicant: Edge Connections, Inc.**

**Edge Connections, Inc.** (Edge or Applicant) located at **1100 Johnson Ferry Road, Suite 400, Atlanta, GA 30328** filed an application with the Federal Communications Commission (FCC or Commission), requesting authority under section 214(a) of the Communications Act of 1934, as amended,<sup>1</sup> to discontinue the provision of certain domestic telecommunications services in the State of Georgia.

The application indicates that Edge is discontinuing local and long distance telecommunications services in the State of Georgia. Edge states that it presently does not have any customers for these services, and it asserts that the proposed discontinuance will not affect any types of services or customers. Consequently, Edge explains that there are no affected customers to notify of the planned discontinuance.

In accordance with 47 C.F.R. § 63.71(c), the application will be deemed to be automatically granted on the thirty-first (31<sup>st</sup>) day after the release date of this notice, unless the Commission has notified Applicant that the grant will not be automatically effective. The Commission will normally authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

This proceeding is considered a "permit but disclose" proceeding for purposes of the Commission's *ex parte* rules.<sup>2</sup> Pursuant to sections 1.415 and 1.419 of the Commission's
